THE BEST OF TIMES

LOOKING BACK WE REMEMBER
THAT FIRST DAY.

SO FRIGHTENED AND SCARED,
APPROACHING THOSE DOORS AND
HAVING FEW IDEAS OF WHAT TO EXPECT.
EMOTIONS OVERPOWERED US

AS WE REACHED FOR THAT HANDLE.

TREMBLING INSIDE, WE OPENED THE
DOOR

ONLY TO FIND A NEW STAGE OF LIFE
WAITING,

WHICH PROVED TO BE THE HARDEST OF
ALL . . .

THE BEST OF TIMES

THE BEST OF TIMES

The Best Of Times

The adolescent years can be very painful. No longer children, not yet adults, we seem to be in a holding pattern. We are constantly told we're "too young for this" and "too old for that." High school gives us a chance to develop our personalities while we are getting an education or job training. In addition to stretching our minds, we have an opportunity to participate in a variety of activities.

We can play on a team, perform in a concert or musical, help other students to learn, be on the Rocket staff, a member of FHA, FFA, or DECA. We have a chance to make good friends. If we take advantage of these opportunities, many of us can look back years from now and say, "THESE WERE THE BEST OF TIMES."

THROUGHOUT THE YEARS

CHANGES TOOK PLACE.

SPECIAL FRIENDSHIPS WERE WON AND
LOST.

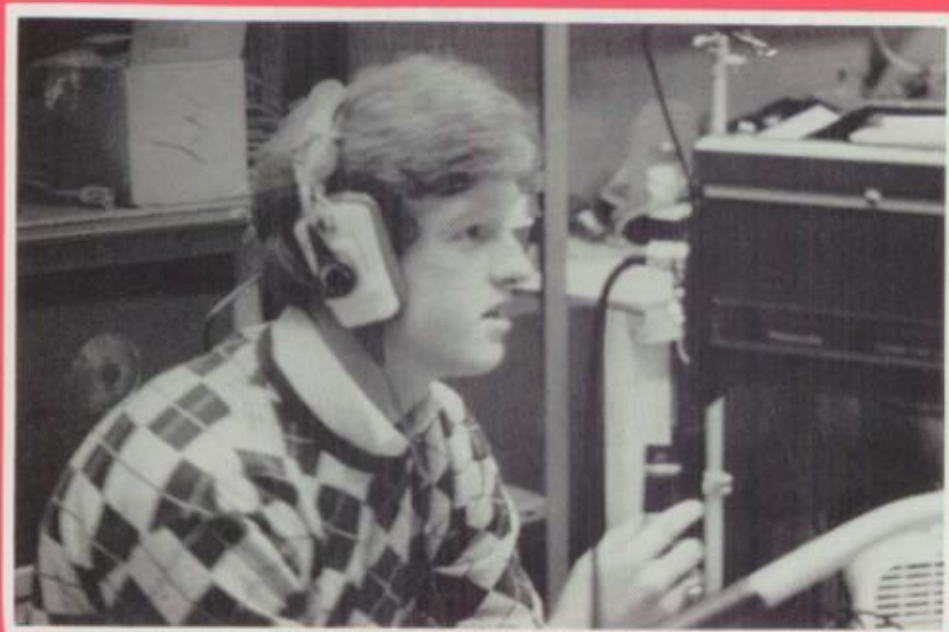

GOALS WERE SET AND REACHED

"My advice to the underclassmen is to get involved in as much as you can NOW, because in your senior year you will regret not doing a lot of things. I know I do." Elianna Steller '84

"The nicest thing about being a senior is being together with everybody in the class and the saddest thing is thinking that after this year it will never be the same again." Mary Berg '84

"The nicest part of being a senior is being the head of the school and the saddest part is that when graduation comes you have to leave behind a part of your life." Connie Kanas '84

"The nicest part of being a senior is getting ready to go out on your own. The saddest thing is leaving all your friends to make your own life." Beth Birr '84

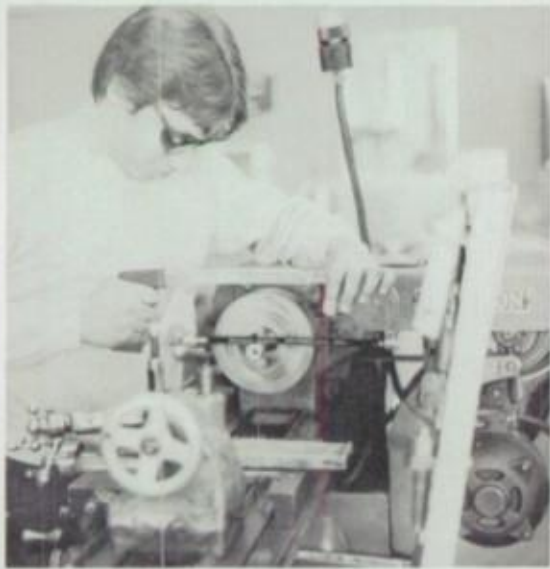

"My advice to underclassmen is to get involved as much as possible because after you graduate you may never do these things again." Lisa Scola '84

"My advice to underclassmen is to Make the most out of your high school years; they go **TOO** fast." Julie Wondra '84

THERE WERE GOOD AND BAD TIMES.
 VICTORIES AND DEFEATS WERE
 SHARED
 AMONG THE WHOLE CLASS.
 WE BECAME CLOSER

"The Class of '84 is very small and over the past four years we've become very close. I hate to think of graduation day when we all walk down to receive our diplomas and each of us has to go our own way as we walk out the doors of MHS. Lori Fink '84

"My advice to underclassmen is to take your education seriously. Don't drop classes because they're a little harder than you're used to working. These classes will help you in the future. Also get involved in extra-curricular activities. It makes your high school years a lot more fun." Connie Stortz '84

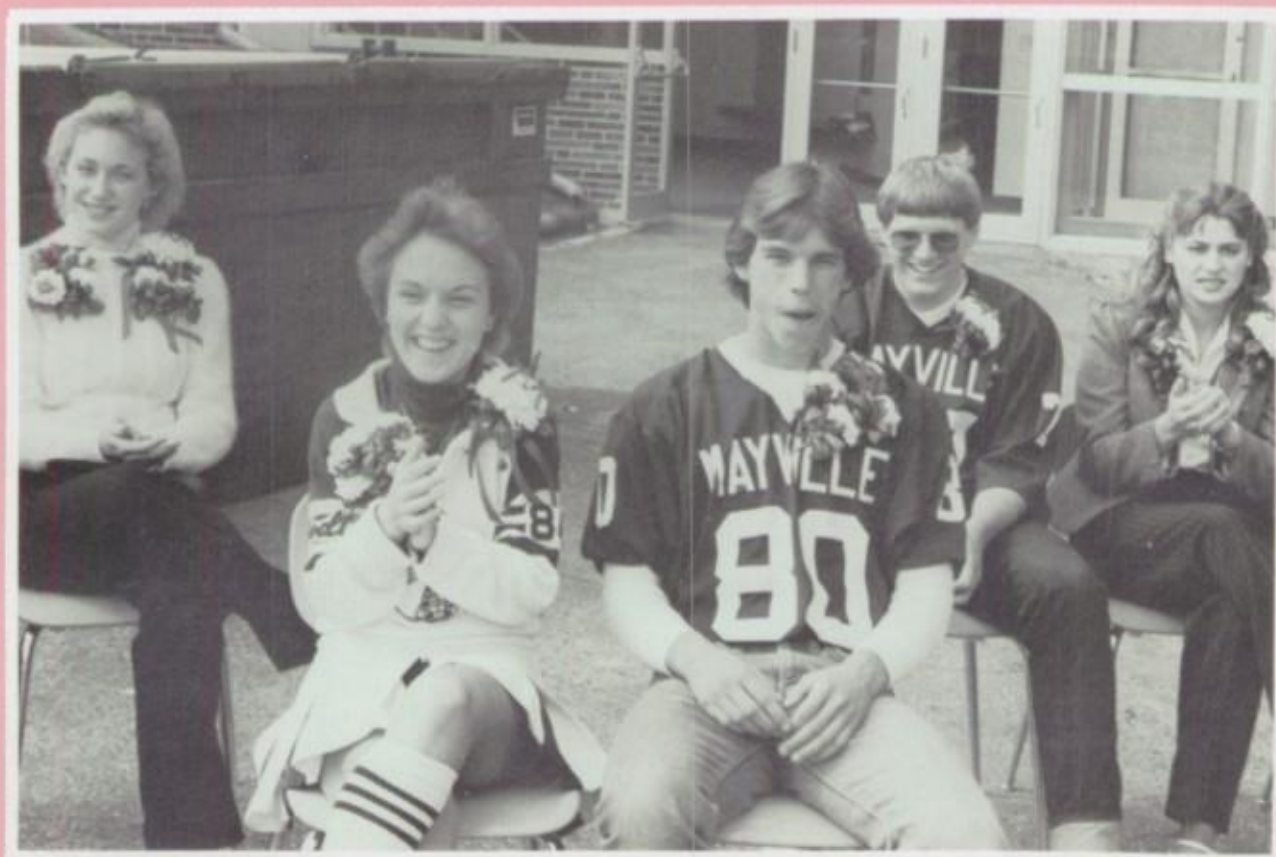

THE BEST OF TIMES

"The hardest part of being a student this year is not being able to skip out because of the detention policy. The saddest is looking forward to graduation and saying good-bye to everyone. The nicest is looking forward to seeing the world on my own and the chance to start a new life." Jodi Zimmer '84

"The most exciting event of my junior year was the Prom. From eating at the Top Hat, to gathering at my house to make a toast to "Prom '83", singing along with the band at Post Prom, watching the sun rise, and having breakfast at the IHOP." Lori Fink '84

BUT NOW THE FINAL DAY HAS COME.
WE EMBRACE EACH OTHER TIGHTLY,
AS THE TEARS TRICKLE DOWN.
WE WISH EACH OTHER THE BEST OF LUCK.
EAGER BUT SCARED.
EMOTIONS RACING THROUGH US,
WE REACH, THE LAST TIME, FOR THAT HANDLE
TO WHAT SEEMED AT FIRST TO BE "HUGE" DOORS.
OPENING THAT DOOR WE RECALL THOSE MEMORIES
WHICH WILL NEVER BE FORGOTTEN.
REALIZING THAT THESE WERE TRULY THE BEST OF
TIMES,
WE CLOSE THIS DOOR BEHIND US
ONLY TO OPEN THE MANY MORE DOORS LYING
AHEAD OF US.
